

CONSERVATION WALKS

This path can be used as a link between Hatton and Sotby or as part of a circuit by using the bridleway and a quiet country lane.

The path goes along a grassy margin next to Sotby Wood and for part of the way next to a drain so a variety of plants and birds may be seen.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2009.

For more information contact DEFRA: 020 7238 6907 (Office hours).
